When their tender Skins are literally On Fire with Itching and BURNING ECZEMAS and other Itching, Scaly, and Blotchy Skin and Scalp Diseases, none but mothers realize.

To know that a single application of the Cuticura Remedies will, in the great majority of cases, afford instant and complete relief, permit rest and sleep; and point to a permanent and economical (because so speedy) cure, and not to use them without a moment's delay, is to be guilty of positive inhumanity. No greater legacy can be bestowed upon a child than a skin without blemish and a body nour-

ished with pure blood. TICURA Remedies are the greatest skin

cures, blood purifiers, and humor remedies, are absolutely pure, and may be used from infancy to age, from pimples to scrofula, with the most

Perhaps you can get along without a tete-a-tete, but if you keep house there are many things which you cannot get along without, and we have the most of them. In some country stores you can get almost anything between a needle and a hay stack. We do not claim to be able to sell you a hay stack, nor have we a very extensive assortment of needles, but so far as Furniture goes, we can equip your house from the roof downwards, and we can do it at prices and such terms which are liable to astonish you. Some of these prices are really amszing, they are so low. You will wonder how on earth the article could be made for the money.
